Downloading

Please refer to the following link on the Exclaimer website:

<http://www.exclaimer.com/signature-manager-exchange-edition/download>.

Installing

Download the 'Signature Manager Exchange Edition 2.2.10' installation file 'setup.exe' and run on the Microsoft Exchange Hub Transport Server and/or Microsoft Exchange Mailbox server (Exchange 2013, 2016 & 2019). An MSI is available from support by contacting support@exclaimer.com.

Uninstalling

Uninstall can be achieved via the 'setup.exe' or MSI for the currently installed version of

'Signature Manager Exchange Edition' or via 'Programs and Features' in Windows Server in your operating systems.

The configuration files are located in **\ProgramData\Exclaimer Ltd\Mail Disclaimers** and these are not be removed as part of the uninstall process. The uninstall process will not lose any of your configuration or settings. However, as a backup precaution you may wish to export your configuration, as summarised below:

Export Steps

1. Open the Exclaimer Console.
2. Select the 'Exclaimer' node.
3. Open the 'Action' menu.
4. Select 'Export Configuration...'
5. Select a location and filename for the export.
6. Press Save.

This will export all your settings including all your templates and licensing data.

Upgrading

Upgrading can be achieved via the 'setup.exe' which will perform an in-place upgrade.

Fixed Issues

- Specifying an Active Directory Container in an AD Attribute policy condition causes local directory errors and generates Transport Routing Agent errors.
